AN INCREASE OF SURVIVORS.

One of the Curiosities in Connection With the War.

Among the curiosities of the United States census is the fact that the number of veterans drawing pensions on account of service in the Federal armies during the civil war, instead of decreasing from year to year, seems, rather, to increase. Those familiar with military statistics will not, however, be surprised at this. Take, for example, the "Thousand" who accompanied Garibaldi in Marsala.

To speak with absolute accuracy, this heroic band consisted of 1051 souls, including two gallant Frenchmen. They fought with utter recklessness and suffered terribly from lack of food and shelter. Nevertheless, it is computed that the survivors of the "Thousand" in Italy now number fully 7000 men, and to those should be added at least 10,000 more who are at present either in the United States or in the Argentine Republic.

I do not know precisely how many survivors of the Six Hundred of Balaklava there are now in Great Britain, but there is not a town of any size in the United States that does not boast of at least one of these gallant men, and we may safely assume that there are fully 2000 survivors of the Six Hundred in the United States alone, without counting those in Canada and the other colonies.—W. L. Alden in the Idler.

Scrofula Cured—Blood Purified by Hood's Sarsaparilla.

C. I. Hood & Co., Lowell, Mass.:

"It is with pleasure that I send a testimonial concerning what Hood's Sarsaparilla has done for my daughter. It is a wonderful medicine and I cannot recommend it too highly. Sarah, who is fourteen years old, has been

Afflicted With Scrofula

ever since she was one year old. For five years she has had a running sore on one side of her face. We tried every remedy recommended, but nothing did her any good until we commenced using Hood's Sarsaparilla. My married daughter advised me to use Hood's Sarsaparilla because

It had cured her of dyspepsia. She had been troubled with that complaint since childhood, and since her cure she has never been without a bottle of Hood's Sarsaparilla in the house. We commenced giving it to Sarah about one year ago, and it has conquered the running sore,

as a trace of the dreadful disease. Previous to taking the medicine her eyesight was affected but now she can see perfectly. In connection with Hood's Sarsaparilla we have used Hood's Vegetable Pills, and find them the best." Mrs. MARIA GRIFFIN, Xenia, Illinois.

"A BUILDING BURNED RECENTLY in Milwaukee, without insurance, because a clerk FORGOT to renew certain policies promptly as instructed.

"He was discharged.

"A few days later, the owner died without insurance on his life, leaving a widow and three young children in poverty, because he had NEGLECTED to insure. As procrastination is more culpable than forgetfulness perhaps the owner is having his punishment NOW.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING WITH STOMACH TROUBLE OR NERVOUS TROUBLE.

Yours respectfully,

MRS. AUG. DARROW.
